### COWBOYS' NORTH AMERICAN CHAMPIONSHIP CALF ROPING CONTEST

**PURSE, \$2,200.00.**

Cash purses and special prizes are open to the world.

Two loops are allowed, but if the rope is not on calf PROPERLY in 45 seconds, roper shall receive a mark of 2 minutes on the calf. NO SECOND CALF CAN BE BOUGHT ANY DAY.

Catching Pen gate at end of arena shall remain open and calf is declared out of bounds when it has passed through gate. Penalty, 2 minutes.

The deadline shall be 20 feet from the barrier. When calf crosses DEADLINE, the starter drops flag, and the animal is roper's calf. Time starts then. Ten (10) seconds fine will be imposed if roper's mount breaks barrier line before starter's flag drops.

This is a catch-as-catch-can contest. Roper must THROW rope from horse and not place on calf. Rope must be on calf when roper gets hand on calf. After roper has caught calf in the above described manner, he may stop horse, dismount, go down rope, throw calf by hand, cross any three (3) feet and tie up in a proper manner, THEN THROW UP HIS HANDS FOR TIME.

Roper's horse shall have neck rope and roper may tie his rope or dally. For tied rope, horse must be approved by Committee.

Roper shall adjust rope and reins so as not to give calf too much slack, but, if roper's horse stops and calf runs on and busts himself, roper shall not be penalized, but must allow calf to get up and then must throw by hand, if roper's horse busts calf by running by or travelling in diverse direction, or horse drags calf, roper shall be penalized according to the wilfulness of the act and decision left entirely to the flag judge.

In case tie is not complete, or if calf gets up, Field Judge will advise timers, and roper shall be given a mark of 2 minutes. If tie is all right, Field Judge shall signal timers with a red flag, and roper shall receive time recorded when he threw up his hands for time.

### COWBOYS' NORTH AMERICAN CHAMPIONSHIP WILD STEER DECORATING CONTEST

**PURSE, \$2,200.00.**

This event is open to the world and is for the North American Championship.

Contestant and hazer will be allowed to leave chute with steer, and contestant's mount may be lap and tap when crossing deadline, but contestant must not have hand on steer or leap until starter's flag drops when steer crosses deadline. Penalty 20 seconds. Starter's line shall be 10 feet from chute.

Steer belongs to contestant when starter's flag drops. Contestant will be supplied with ribbon attached to rubber band, which contestant must put on steer's horn (either horn).

If contestant can properly attach ribbon without stopping steer, it is all right, or he may stop steer to do so, if he so desires, BUT IN NO CASE shall steer be thrown or twisted down, or contestant shall receive a mark of 2 minutes. Should a steer stumble and go to his knees accidentally, this will not be considered knocked down. In the event of this, contestant must allow steer to regain all four feet before attempting to attach ribbon. Ribbon must be placed on horn and contestant must have left horse and TOUCHED THE GROUND WITH BOTH FEET, before time is taken.

As soon as contestant leaps and is off on steer, hazer will retire. Contestant must be off horse on steer in 30 seconds or he will be flagged and given a mark of 2 minutes. Should he leap inside the 30 seconds and miss steer, he can mount either his own or his hazer's horse and pursue steer for another 30 seconds; but in this case he must be off horse on steer inside of one minute or he will be flagged and given a mark of 2 minutes. Contestant must have caught steer and have ribbon on inside of 2 minutes after crossing deadline or he will receive a mark of 2 minutes.

If contestant misses steer he can use hazer's horse to continue, but hazer or contestant cannot use any other horse than the two original horses they started with.

Dragging pole or fly or lost pole will be severely penalized by judges.

One set of barrels will be placed opposite and in line with the wire in front of judges' stand and the others will be placed necessary distances apart east and west of the wire. The barrels will be placed so as to equalize the distance to be travelled by each team when they go under the wire after going once around track, in order to place each contestant on the same basis. Camp ground will be allotted in accordance with starting position. Camping positions will be numbered from No. 1 up, starting from the east. Teams will be hitched to start, facing north, on east side of the south barrel, driver on seat. Horses saddled. One or not more than two outriders may hold team or saddle horses until driver starts team, after which time no assistance may be given the driver. The other outriders are to be grouped around stove, which is to be set up at rear end of wagon, fly to be set up. Race starts when horn blows. Strike camp. Riders will be deemed late if he is back of flag when lead team hits wire. Flag will be approx. 75 ft. behind wagon. After cutting figure eight around barrels on infield, outfits pass out on track on west side of barrel, turning to left, run around track and finish under wire. Time will be taken as each lead team passes under the wire, attached to wagon as part of four horse team with driver holding reins.

Time shall be taken on each wagon, and the twelve outfits having the best time each day shall respectively receive the day purses. Total time shall be recorded on each outfit for the first five days. The TWELVE outfits having best total time at the conclusion of the fifth day, shall run in the FINALS on the SIXTH DAY, and shall receive day money and the final money. In case sufficient wagons drop out so that there will not be twelve wagons in final heat, all monies saved during week will be split 40%, 30%, 20% and 10% among first four final money winners.

When horn blows, it is a race, and faulty equipment or mismanagement on the part of the contestant will not be sufficient cause for a re-run.

Re-runs will be allowed only in the event of a deliberate foul, in which case the party at fault will be penalized as provided for and the party who was not at fault will be allowed a re-run, if in the opinion of the judges the offence was serious enough.
